**Subject:** Mead, NE AltEn Air Toxics project update

Hi Cecilia

Mike J wanted me to touch base with you in regard to a quick TEAMS meeting we had this afternoon so I could brief him on the status of the Mead, NE AltEn air toxics project. My apologies as I believe there may have been some miscommunication in making sure you were copied on the invite but I am attaching the ppt from my update.

Please let Mike or myself know if you have any questions

Leland
